

Brookline Schedules February Flu Clinic. One additional flu clinic will be held at the Brookline Department of Public Health, 11 Pierce Street, Brookline Village, on Wednesday, February 12, 2014 from 4-6pm. At this clinic, the vaccine will be available in injection form only. Reservations are not necessary. The clinic is open to children (aged 6 months and older), adults, and seniors in Brookline and neighboring communities. Anyone attending the clinic is asked to bring their health insurance cards, and to wear loose-sleeved clothing. There is no fee for the flu vaccine.

For questions and further information about the clinic, please call 617-730-2300.
